Well, almost.

I have not heard positively from Dave Seter yet, but he is out today, so we won't know until Monday morning.

I will tentatively plan to open the call at 8 am, but we may have to fall back to 8:30, depending on Dave's availability.

Talk to you guys then.

Have a great weekend!

Yes, 8 or 8:30a Monday are both fine for me, for the agency monthly call.

Dave and Dante,

Will 8 or 8:30 on Monday work for you guys?

It works for Dave Davis.

Note that I had to resend the new recurring invite out because the first time I had it set at the 5th day of every month, so I changed it to the first Monday of every month and resent it.

Accept the new/latest invite.

PS: Greg is sure he can have his ROD comments ready for distribution to you next Thursday COB.

Let me know your availability.

Thanks, talk to you all on Monday morning.

Earlier works best for me on Monday. Also, I don't have the calendar invite for this call and I'm not sure why. I do have Thursday's call on my calendar, so worries there. Please resend me the invite, so I can make sure I don't double book.

Hey guys,

I will be on the road for AML site work next Monday, during our regular monthly RPM call.

I can have my new AML staff drive while I field the call, or we can change the date of the call.

Thu, 6/8 we have our monthly call with ARC, and I like having our calls before that one.

I will be in the field and mostly tied up Mon, Tue, and Wed, and I already have a Thu am call just prior to our call with ARC, so that doesn't leave many options.

Are you guys okay with keeping the 9 am call Monday, knowing that I may lose you during a brief period of no or poor reception?

If we shifted it to 8 or 8:30 am, there is less chance of getting dropped from the call because I will still be closer to good reception areas.

Let me know your preferences as soon as you can.

Thanks,
